I'm a fourth year student at the National Technical University in kharkiv studying computer science. I have experience developing and designing software for the web, from simple landing pages to progressive web applications. I strive to create software that not only functions efficiently under the hood, but also provides intuitive, pixel-perfect user experiences.

🎓 EDUCATION

B.S in Computer science, *kharkiv polytechnic institute* [🔗](#) 2019 – 2023 | Ukraine

Automation and instrumentation technician, *ISTA Al Massira* [🔗](#) 2016 – 2018 | Morocco
